

Freshness you can see

Refrigerated island AIB..45 S

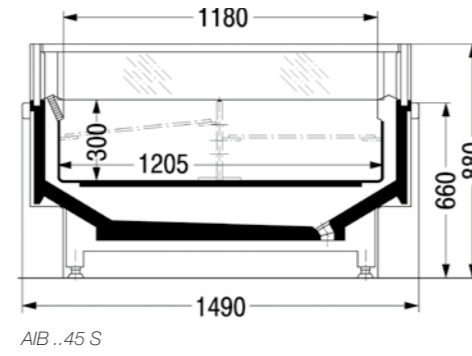

AIB type islands are wide refrigerated islands for small shop layouts that have a classic design. They allow ultrafresh products to be presented with a strong focus on sales even in small floor areas. What is more, they offer an excellent overview of products and a 180 mm high wrap-around window, which guarantees good customer contact.

Accessories

- Partially glazed side walls
- Island insert with illuminated displays
- Sliding glass panels
- Night-covers (for open models)
- Coloured bumpers
- Height-adjustable grid displays and product separator grilles
- Grid covers in stainless steel

Advantages at a glance

- Large presentation area
- Excellent product visibility
- 180 mm wrap-around glazing
- 300 mm stacking height
- Safe, cost-efficient refrigeration technology
- Strong sales-focused presentation of products
- Classic refrigeration island design
- With optional sliding glass panels

Secure and expand sales

AIB ..75/85

AIB ..75/85 S

Frozen food island AIB..75/85

Frozen food island AIB..75/85 S

The AIB 1.5 m wide frozen food island has been specially designed for shops with a small floor area. A long, open customer contact area presents the goods with a strong focus on sales promotion. A classic island design helps to expand and heighten the profile of chilled goods.

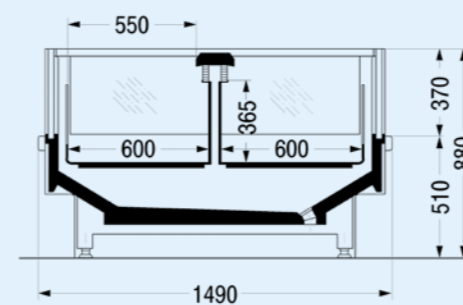

Accessories

- Partially glazed side walls (AIB)
- Single-level or two-level island inserts with illuminated displays
- Handrail lighting (T5 light or LED)
- Energy-saving kit with sliding glass panels (AIB S)
- Height adjustable grid displays and product separation grilles
- Night covers
- Coloured bumpers

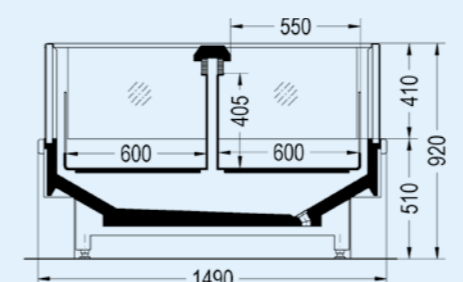

Advantages at a glance

- Large presentation area
- 180 mm wrap-around glazing (model: AIB ..75/85 S)
- Stacking height 300 or 365 mm
- Ergonomically optimized access
- Eco-friendly halogen-free insulation
- Energy-saving evaporator system
- Classic frozen food island design

Clear view of the full product range

AIB ..75/85 M GH 410

Frozen food island AIB..75/85 M GH 370

Frozen food island AIB..75/85 M GH 410

The optimum dimensions of the AIB..M frozen food island makes perfect use of the shop floor space. A generous wrap-around window allows the products to be seen clearly even at a distance. The ergonomically optimized product area makes it easy for customers to pick and remove products.

Accessories

- Optional 410 mm wrap-around window
- Glazed panoramic side walls
- Island insert with illuminated displays
- Handrail lighting (T5 light or LED)
- Energy-saving kit with glass sliding panels
- Height adjustable grid displays and product separation grilles
- Night covers
- Coloured bumpers

Advantages at a glance

- High product density
- Ergonomically designed, easy-to-reach goods display
- Ice-cool freshness, with a focus on sales promotion
- Good visibility through 370 mm or 410 mm wrap-around glazing
- 360 mm or 410 mm stacking height
- Customer-friendly price labels on the middle rail
- Classic frozen food island design

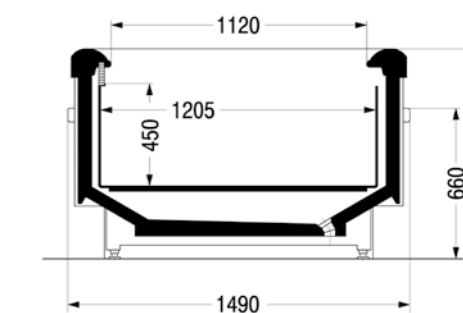

Frozen foods galore

Frozen food island AIT..75

A feature sure to impress price-conscious customers. An enormous goods volume of around 550 liters per linear meter is one of the strengths of the AIT frozen food island. Designed for shops with limited floor space, this 1.5 m island offers a rugged and classic design.

Accessories

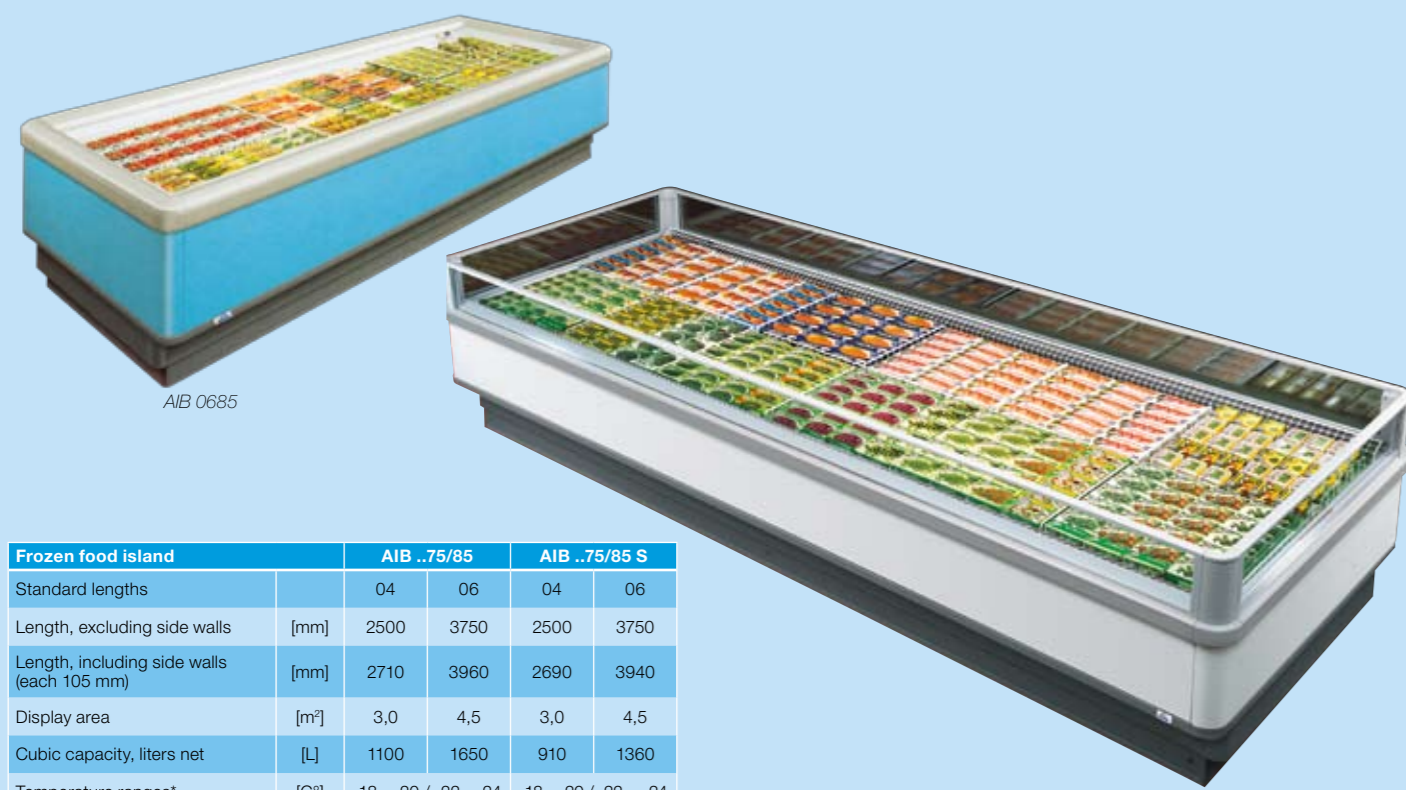

- Night covers
- Island insert, single-level or two-level with illuminated displays
- Height adjustable grid displays and product separation grilles
- Coloured bumpers

AIT ..75

Advantages at a glance
